PETITIONING THE COURT

To issue a summons.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	<u>Special Condition # 17:</u> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: Curtis Knight violated conditions of his supervised release by failing to appear for urinalysis testing on December 2, 2013, contrary to special condition # 17.

On December 2, 2013, Curtis Knight was required to appear for urinalysis testing. As noted previously, he failed to appear. Subsequently, he was directed to appear in the U.S. Probation Office for urine testing on December 4, 2013. The offender submitted a specimen which tested presumptive positive for opiates. It is noted, Mr. Knight has a valid prescription for the above-referenced substance. However, the sample was sent to the laboratory for further analysis.

2	<u>Special Condition # 16:</u> You shall undergo a substance abuse evaluation and, if indicated, enter into and successfully complete an approved substance abuse treatment program, including aftercare. You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.
